

# next:

next: is a statement  
next: is a question  
next: reminds us that  
we always stand  
at a crossroads,  
that we are all poets,  
all philosophers,  
the makers and keepers  
of our own dreams,  
that we bring wine to our friends  
that we might share both  
wine and words together,  
folded into a moment  
on the edge of the next.

## Tasting Notes

**Color:** Very pale straw with bright highlights.

**Nose:** Citrus blossom, orange with a hint of lime, pear, and apricot.

**Flavors:** Orange, white peach, pineapple, and guava.

**Mouthfeel:** Fruity - vibrant entry, nice balance between acidity and residual sugar allowing for a crisp and clean yet round and full wine.

**Recommended pairings:** A cleansing and refreshing accompaniment for sushi, this Riesling would also pair beautifully with flatfish (sole, flounder, etc.) in a butter/cream sauce. It would also be an ideal candidate to pair with just fruit and mild, creamy white cheeses or cold chicken on a picnic.
