THE SOLDIER

CABERNET SAUVIGNON • COLUMBIA VALLEY

The Soldier - an authentically produced Cabernet Sauvignon from the Columbia Valley AVA. Meticulously crafted with the highest standards, this wine embodies dependability and consistency at its finest. With every sip, you can taste the dedication and care that goes into making The Soldier a true standout among its peers. Whether for daily drinking or special occasions, this wine is the perfect choice for those who seek authentic quality and flavor.

TASTING NOTES

The Soldier is a brooding garnet color with brick red edges. Complex aromas of baked blueberry pie, cocoa powder and plum greet the nose, with nuances like fresh sage, tobacco leaf, and coffee. The palate features immediate fruit flavors of dark cherry and currant, accented by clove, sage, and toasty oak. This full-bodied wine has well-structured tannins, bright acidity and a complex finish.

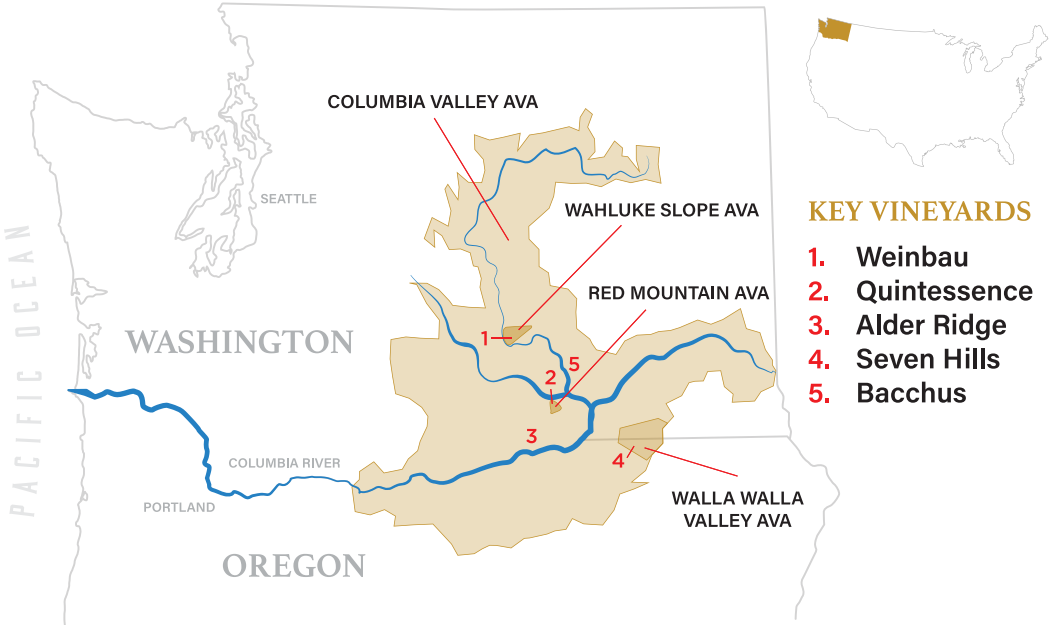

WINEMAKING

To craft The Soldier, grapes are destemmed and gently crushed, with a small portion of whole berries added to soften tannins. The must is then cold soaked for 48 hours with daily pump overs, followed by fermentation in a stainless steel open-top tank with twice-daily punch downs. The winemaking team tastes the wine daily to ensure optimal tannin and extraction levels. Once the wine reaches its peak flavor and texture, the grape skins are removed, and the wine is aged in French and American oak barrels for an extended period.

SOURCING & TERROIR

The Soldier is a unique wine that brings together fruit from some of the most highly sought-after vineyards in the Columbia Valley AVA. The King family has cultivated longstanding relationships with these respected growers, including esteemed sites in the sub-AVAs of Walla Walla Valley and Red Mountain. By blending fruit from these exceptional vineyards, The Soldier embodies the essence of the Columbia Valley and showcases the best that the region has to offer.
