

Truck Driver

Oregon's leading winery seeks a full time Truck Driver. Our Truck Driver will be the primary source of transport between wineries, storage facilities and distribution partners. The schedule will consist of approximately 70% drive time and 30% warehouse work. Routes will include local runs between King Estate Winery, located in Eugene to the King Estate warehouse located in Cottage Grove, Oregon. During our annual harvest, driver will run routes between Oregon and Washington, transporting fruit to the winery for processing. Making runs to warehouses and wineries in both Washington and California including moving bulk wine by tanker will also be included. This position will be responsible for warehouse work including loading and unloading trucks and can expect certain months to include more warehouse work and less driving. This job will be Monday-Friday, regular hourly shift except during the seasonal harvest. Longer hours and required overtime are normal during that period of time.

Occupational Skills: Experience driving 48' refrigerated and tanker trucks. Knowledge of driving requirements, load specifications, excellent driving history and the ability to make independent decisions.

Requirements:

- Current Class **A** CDL
- Current DOT medical certification
- Clean driving record
- Successful completion of pre-hire drug/alcohol screening
- Physically able to maneuver/secure loads using pallet jack
- Have reliable transportation and be able to commute to job site

Compensation includes full company benefit eligibility and is dependent on experience. Please submit resume to careers@kingestate.com
